## **Temporary Water Service Interruption Tomorrow**

**Hialeah, Florida** – Tomorrow, Thursday, February 23, 2012, a Miami-Dade County Water & Sewer Department (WASD) water main will be temporarily disconnected and relocated between the hours of 11:00 p.m. and 5:00 a.m. The relocation is necessary to continue work on State Road 93/I-75 to SR 826/ Palmetto Expressway Ramp Widening Project. The water main provides service to the City of Hialeah, City of Hialeah Gardens and the Town of Medley. WASD customers in this area may experience slight loss of water pressure during those times.

WASD customers may call the Miami-Dade Water & Sewer Department's Communications Center at 305-274-9272, 24 hours a day, with any concerns regarding the loss of water pressure. For more information regarding the FDOT project, please contact Construction Public Information Specialist David Ramil at 786-877-4375 or Project administrator Enrique Tamayo at 305-364-3064.
